

## OLIN WINCHESTER INBOUND ROUTING GUIDE

**No COD shipments will be accepted.**

When shipping product to Olin Winchester on “Collect” terms refer to the LTL map on page 2. LTL carriers are USF Holland (orange) and Old Dominion (green). When shipping **from an orange state to an orange state** contact USF Holland at (866) 465-5263 **all other LTL shipments contact Old Dominion at (800) 432-6335**

Contact UPS for parcel shipments (under 100 pounds) at (800) 742-5877 (account number 622081).

Contact the Logistics Department for these scenarios:

- If the shipment is over 13,000 pounds.
- Shipment will occupy a large amount of trailer space (over 750 cuft).
- Special equipment or handling requirements for products such as chemicals, computer equipment, and hazardous material.
- Urgent shipments.

Please be prepared to provide the following information via email to [winchestertraffic@olin.com](mailto:winchestertraffic@olin.com) or by calling (618) 258-3558.

- PO Number
- Vendor/Company name
- Point of contact and phone number
- Shipping location of the product
- Product description and NMFC classification (i.e. class 60, 85, 100, etc.)
- Number of packages/pallets
- Total shipping weight
- Shipping to Olin facility in East Alton or Oxford?
- Facility loading hours
- Special instructions (i.e. hazardous material, product requiring freeze protection, etc.)

### DELIVERY APPOINTMENTS

All inbound shipments of steel and lead to the East Alton facility require the vendor to schedule an appointment via [www.appointmentplus.com](http://www.appointmentplus.com). All other shipments may be delivered without appointment Monday – Friday between the hours of 8 am and 2 pm.

Carriers will bill freight to Olin Corporation, Winchester Division, C/O Tranzact Technologies, 360 W Butterfield Rd, Suite 400, Elmhurst IL 60126.

**Use of unauthorized carriers will result in charge backs for freight charges. It is the responsibility of the suppliers receiving this order to communicate this information to any third party suppliers.**
